The school will:

- Ensure your child's physical and social well being at all times, and to foster feelings of confidence, self-worth and belonging.
- Make sure that all children and families are treated with respect and sensitivity.
- Deliver a carefully planned curriculum, which reflects the educational programme set by the Cypriot and Greek Ministries of Education and provide suitably qualified teachers.
- Establish consistent approaches for addressing behaviour issues when appropriate and ensure that parents and children are aware of these.
- Ensure that parents are informed about the work planned for each term/academic year, including term dates and holidays.
- Ensure that homework tasks are given regularly and that these tasks are checked and marked by the teacher.
- Keep the parents/carers informed of children's progress and contact them if there are concerns about the child's work or behaviour and when a child is absent for 2 consecutive lessons.
- Actively welcome parents/carers into the life of the school and ensure that teachers are available by mutual arrangement to discuss any concerns parents might have about their children.
- Ensure that parents are informed about all school activities/events and meetings.
- Provide progress reports and end of year Certificate of attendance to regularly attending pupils.

The parents/carers undertake to:

- Ensure that my child attends school regularly and on time and that if my child is absent I notify the school.
- Ensure that my child is brought to and collected from inside the School premises, promptly with exception of the A-Level pupils. If alternative arrangements need to be made, I will notify the school in writing, in advance.
- Use the back gate to enter and leave the School for safety reasons as the front entrance is not protected by any sort of fencing and the pavement is too narrow!
- Work with the school to try and make sure that my child behaves well.
- Support my child with his/her homework and learning at home. Keep updated with his/her weekly work at School. Communicate with my child's teacher regarding any concerns.
- Attend school events and meetings when possible and encourage and support my child to fully participate in school celebrations.
- Ensure that my child has all the appropriate equipment for his/her lesson at school.
- Due to legal binding concerning our "Child Protection Policy" the School requests the following: if at any time only one child is the sole attendant at the School, the parent of that child has to stay in the school premises and supervise (from outside the classroom). Parents have to provide emergency numbers, so they can be contacted in case this situation arises.

The pupil agrees to:

- Attend school regularly and on time.
- Make sure that I take to school everything I need, such as books, stationery.
- Complete my homework tasks to the best of my ability
- Always try and work hard and listen carefully to instructions.
- Be polite and helpful to other children and adults (teachers, volunteers and committee members).
- Take good care of the school environment.
- Not bring into the class electronic devices, such as iPods or mobile phones, that can distract myself and my fellow students.
